FINANCIAL POLICY

P: 248-373-0400 Email: MeadowBrookTeeth@Gmail.com

I, _____ (patient or legal guardian), hereby agree to pay all charges submitted by this office during the duration of treatment for the patient. I agree to pay all applicable deductibles and co-payments which may arise during treatment for the patient. I understand that my dental insurance is my financial responsibility.

All co-pays are expected to be paid at the time of service. It is *your* responsibility to know *your* insurance policy. We accept most dental PPO insurance policies. It is up to you to know whether or not your insurance is in network with our office/doctors as contracts and credentialing is constantly changing based on insurance limitations. It is impossible for us to track all policies and be aware of the individual benefit and maximum for each plan. Please realize that it is a *courtesy* to you that we verify dental benefits and provide you with an estimate of co-pay/deductibles. Certain appointments may require payment to be made in full or a portion of the estimated copay to reserve an appointment. The responsible party is also required to pay for treatment rendered to the patient which is not considered to be a covered service by third party insurers or if there is a balance that remains after the insurance company has remitted payment to us. Regardless of what we might calculate as your dental benefit in dollars, we must stress that you as the patient, parent or guardian is responsible for the total cost of your dental treatment. You are responsible at the time of your appointment, for any estimated deductible and copayment amounts not covered by your insurance carrier. Once our office has received payment from the insurance company, if any balance is remaining, you will be billed. In the event payments are not received by agreed upon dates, a 1.5% late charge (18% APR) may be added to your account.

Cancellation or Missed Appointment Policy- In order to be respectful of our providers time as well as being able to accommodate other patients that need to get into the schedule, a cancellation fee will apply to situations when we do not receive a minimum of 48 hour notice for cancellations and reschedules (\$50 for standard appointment times and \$100 for appointments 4pm or later as well as any Saturday appointments.) Furthermore, "no show" situations will result in a \$100 penalty. These fees must be paid in full prior to scheduling another appointment at our office. Reoccurring cancellations and missed appointments may result in dismissal from the office.

Payment Options- Payments may be made using cash, credit card (Visa, MasterCard, American Express, Discover) or Care Credit. Care Credit is an outside financing company that allows you to make installments on your dental treatment at minimal or no interest if you qualify.

Collection Policy- If circumstances force a patient's account to be forwarded to a collection agency for further handling or if a patient declares bankruptcy, they will be expected to prepay any future appointments. Please note that patients whose accounts are not up to date must address the balance prior to being granted another appointment.
